

[Slide 1: Title Slide] Good morning, everyone. Thank you for joining us today. I'm excited to present AIMWELL – an AI-powered platform transforming health, education, and personal growth.

[Slide 2: The Problem] Every day, millions struggle with fragmented access to quality health and learning tools. Healthcare remains expensive, mental health is often neglected, and education lacks personalized support. These problems leave individuals underserved and limit growth opportunities.

[Slide 3: Our Solution – AIMWELL] AIMWELL solves this by integrating health, education, and wellness into one seamless platform. We provide accessible telehealth, AI-driven mental wellness, interactive learning, and certification – all powered by modern AI and scalable infrastructure.

[Slide 4: Key Features] - Courses & Lessons with certifications. - Telehealth powered by AI and Twilio. - Mental health support with CBT chatbot, novels, and wellness tools. - Fitness & Nutrition tracking via wearables and APIs. - Secure payments with Stripe, PayPal, M-Pesa, Apple/Google IAP. - Community hub with games, discussions, and resources.

[Slide 5: Technology Stack] AIMWELL is powered by a Python-based backend, AI integrations, and Supabase for database management. The platform ensures offline-first support, security, and scalability for millions of users.

[Slide 6: Target Audience] Our target audience includes students, professionals, and health-conscious individuals in emerging markets like Africa and Asia, where access to integrated digital health and education tools is still limited.

[Slide 7: Market Opportunity] The global e-learning market is projected to reach \$350 billion by 2030, while digital health is growing at a CAGR of 25%. AIMWELL positions itself at the intersection of both industries, unlocking huge opportunities.

[Slide 8: Traction & Roadmap] We are preparing our MVP launch, with Phase 1 focusing on education + mental health, Phase 2 integrating telehealth, and Phase 3 scaling into fitness and nutrition. Early interest from pilot users has been strong.

[Slide 9: Business Model] AIMWELL operates on a freemium model with subscription tiers, in-app purchases, and institutional partnerships. Monetization is diversified to ensure sustainability and growth.

[Slide 10: Call to Investors] We are seeking strategic investors to support AIMWELL's product development, market entry, and scaling. With your support, we will empower millions to live healthier, more educated lives.

[Slide 11: The Team] Our team combines expertise in AI, cybersecurity, health, and education. We are passionate innovators dedicated to solving global challenges with technology.

[Slide 12: Closing] Thank you for your time. Together, with AIMWELL, we can bridge the gap between health, learning, and wellness. Let's make the world healthier and smarter, one user at a time.
